

Coders Peace Lamp Final Design

Four-view schematic with labeled parts, for build + BOM reference

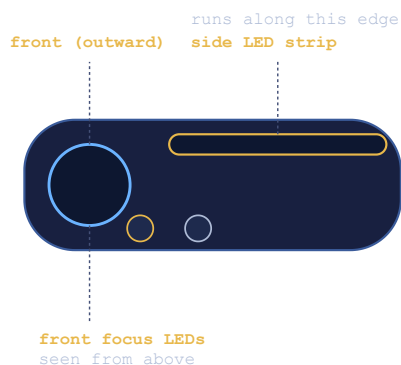

FRONT VIEW

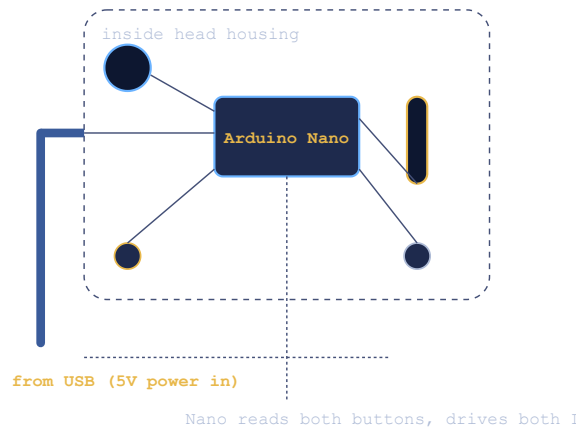

SIDE VIEW

TOP VIEW

INTERNAL / EXPLODED VIEW

COLOR SEQUENCE (BOTH BUTTONS, INDEPENDENT)

blue green red yellow white all off

```
press 1 = blue → press 2 = green → press 3 = red → press 4 = yellow →  
press 5 = white → press 6 = all → press 7 = off → repeats
```

Schematic reference for build planning – not to exact scale. Front + side views show the same physical unit from two angles; top view shows LED placement from above; internal view shows the electronics that make the button-cycling work.
